### Spread of responses

### How likely are you to recommend our GP Practice to friends and family if they need similar care or treatment?

---

**Can you tell us why you gave that response?**

Generally good for emergency appointments and personal service

Very disorganised with repeat prescriptions.

Long wait and lack of communication

I find everything about the practice to be so professional

Poor organisation, all the good doctors have retired, Jeremy Huntrite practise, don't give you the treatment you need
